-

PROFESSIONAL EXPERIENCE

WHEELS, INC.

UI Designer II

Chicago, IL

July 2023 - Present

Created high-fidelity wireframes, prototypes, and page components, collaborating cross-functionally to enhance user experiences. Drove design excellence by maintaining expert knowledge of UI principles and promoting best practices in UX standards.

WHEELS, INC.

UX Designer/Architect II

Chicago, IL

Aug 2023 – July 2023

I helped drive successful project launches, enhancing user experiences, and increasing engagement. I leveraged expertise in user interface design, complex web interfaces, and data visualizations to deliver tangible and visually appealing solutions. Employed agile/scrum methodologies and strong communication skills to meet deadlines.

CENTRAL WIRE

UX/UI/Visual Designer

Michigan City, IN

Apr 2019 – March 2020

Delivered collaborative wireframes, prototypes, and implemented brand/web design systems for successful project outcomes, leading to increase in traffic.

PALKO SERVICES
